PROFESSIONAL SUMMARY

Bachelor of Computer Applications (BCA) graduate with hands-on experience in full-stack development and AI-powered applications. Skilled in React, Node.js, Python, and REST APIs, with a strong foundation in Data Structures & Algorithms and a passion for building scalable software solutions.

ACADEMIC QUALIFICATION

- Bachelor of Computer Applications (BCA) 2023 – 2026
Sree Narayana Guru College | CGPA: 7.6 / 10

TECHNICAL SKILLS

- Languages : Python, JavaScript, C++
- Frontend : HTML, CSS, Bootstrap, React JS
- AI/ML : OpenCV, SVM, AI/ML Basics
- Concepts : OOP, REST APIs, CRUD Operations, JSON
- Backend : Flask, Node.js, Express.js
- Tools & Platforms: Git, GitHub, Lovable
- Database & Services: SQLite, Supabase

PROJECTS

InterviewIQ – AI Interview Simulator | <https://github.com/Sreelakshmii-R/Interview-IQ>

- Built a full-stack AI interview simulator using React.js, Node.js, Express.js, Supabase, and Groq API (LLM).
- Implemented AI-powered resume analysis for skill extraction, dynamic interview question generation, speech-to-text response handling, and automated performance evaluation with personalized feedback.
- Integrated secure authentication and user session management for a seamless and scalable interview experience.

AI-Based Image Detector | <https://github.com/Sreelakshmii-R/ai-image-detector.git>

- Developed a Flask-based web application to classify uploaded images as real or AI-generated using an SVM model and OpenCV.
- Integrated SQLite for user authentication and detection history with a responsive interface for image upload and prediction.

Visora Vision Hub | <https://github.com/Sreelakshmii-R/visora-vision-hub.git>

- Developed an AI-powered visual search MVP using Supabase, implementing a responsive UI and frontend-backend integration.

INTERNSHIP & CERTIFICATES

Full Stack Development - NxtWave (present)

- Industry-oriented training in full-stack development, covering React.js, Node.js, JavaScript, Python, SQL, Git, and Data Structures & Algorithms.

Artificial Intelligence - JB International Academy

- Learned AI fundamentals, machine learning concepts, and data preprocessing techniques.

Node.js Internship - Techmindz, Kochi

- Gained practical experience in backend development and REST API development using Node.js.

Diploma in Cloud Computing - JB International Academy

- Studied cloud computing fundamentals, service models, and deployment models.

SOFT SKILLS

- Communication Skills
- Problem Solving
- Quick Learning
- Team Collaboration
- Analytical Thinking
